

Honoring a distinguished lawyer, mentor, and steadfast advocate for Israel and the rule of law.

July 15, 2026

Dear Friend of the AAJLJ,

The American Association of Jewish Lawyers and Jurists mourns the passing of Adv. Daniel Reisner, an extraordinary jurist, public international lawyer, and dedicated defender of the rule of law. As Deputy President of the International Association of Jewish Lawyers and Jurists, Daniel devoted his career to Israel's security, the development of international law, and the mentorship of generations of lawyers.

Following the atrocities of October 7, Daniel's legal leadership and principled advocacy on behalf of Israel exemplified the highest standards of the profession, and each and every time he stood up when he was needed. He will be remembered not only for his exceptional legal mind, but also for his integrity, kindness, and unwavering commitment to justice. He leaves behind a void in Israel, the Jewish world and in the law that cannot be filled.

Members of our board were honored to meet with and learn from him during our missions over the last ten years.

We wish many years to his family, friends, and our colleagues at the International Association of Jewish Lawyers and Jurists.

May his memory be a blessing - and may we only share semachot together.
